TWO-PART HOLLOW FORM FOR SEPTEMBER DEMONSTRATION

We will squeeze into the Manitou Arts Center on Wednesday, September 2nd, at 6:30 p.m. for a demonstration of how to make an impressive hollow form without an expensive hollowing rig.

Our monthly meeting also includes an Instant Gallery to show the progress of your work, a raffle of wood, and a short business meeting.

Club members are always welcome to bring stuff for sale to each other. Some basic supplies are priced like a co-op. For example, Tony has green-wood sealer for \$15/gallon. If you are cutting trees, you need it!

Places to See and Buy Work by Our Members

September is a busy month for shows and festivals.

Month of September: Our club members who helped with outreach during 2015 have work on display at Penrose Library downtown during September.
